To Whom It May Concern:

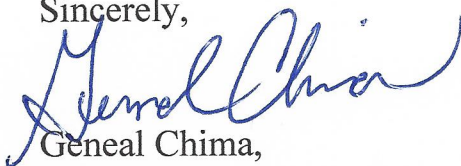

I am writing this Letter of Recommendation for Christian Mukai. I have known Christian for 11 years and he is my step-son. In the 11 years I have known Christian he has grown into a very responsible and resourceful young man who is determined and destined for success. I had the opportunity to hire Christian for a summer position with my company, Silverado Farms, in 2016.

He personally assisted me with management duties which included management of personnel, management of documents, and traveling out of state. He handled these duties very professionally and was always willing to go above and beyond to assist. If you have the opportunity to hire Christian Mukai at your organization I would highly recommend that you do so.

Should you need any further information regarding Christian's performance or details regarding his position with Silverado Farms, please do not hesitate to contact me at: 916-622-8585 or feel free to email me at:

Sincerely,

A handwritten signature in blue ink, appearing to read "Geneal Chima", written over the printed name.
